

# School Improvement Conference

Mon., Aug. 14, 2006  
8:30 a.m. - 3:30 p.m.  
Pierre Ramkota

Registration at 8:00 a.m.  
Lunch will be provided

This is a meeting for any district with one or more schools in school improvement. At least one district representative should attend. However, there are four presentations during each of the three breakout sessions. A district wanting to cover all 12 breakouts would need to send four persons.

In the Title I Spring Update, districts were encouraged, "to reserve a room at a reduced rate, call before July 13 and ask for School Improvement Conference." Since that release date has passed, districts are expected to locate their own lodging.

Please confirm your attendance along with the names of all staff members who will attend, using the registration form provided on the following page.

**Fax the registration form to:**  
Attn: Julie Elrod # 773-3782

Questions? Call 773-6400
